

## Adam Walker

Project Support

**+44(0)1924 482777**

**adam.walker@gamma-uk.com**

**www.gamma-uk.com**

Adam has lost count of how many years he has been with Gamma and how many different departments he has worked in. This broad range of experience means he has built up an encyclopedic knowledge of our products, how they go together and what they do.

When he's not working, he enjoys taking care of his Jack Russell / Pomeranian cross puppy, having days out with his partner and taking things apart to see how they work.
