

Quality Policy

Martech UK Ltd, design, manufacture and supply an extensive range of high quality, energy efficient luminaries.

Our team draws inspiration from the latest technologies, materials and trends – paying attention to detail and quality in order to meet our high standards of excellence.

Our clients are at the heart of everything we do. We work closely with OEM's, resellers, end-users, specifiers, designers, consultants and contractors to ensure that, the lighting solutions are right for the project as well as being supplied on time and to budget.

Martech is constantly striving for excellence by maintaining a Quality Management System which conforms to the BS EN ISO 9001:2015 standard.

Martech UK Ltd plan on continually improving the QMS using the PDCA cycle. Quantifiable objectives are agreed and documented. The need for continuous improvement is based on a risk-based, process-controlled system. Martech strives to achieve these objectives through consultation and participation of all staff and interested parties.

We take our responsibility towards our customers, colleagues, the industry and the environment very seriously. Martech UK is fully committed to satisfying all applicable requirements.

This commitment is demonstrated through our membership and active involvement in the Lighting Industry Association, The British Standards Institution and our registration as a WEEE producer in the UK.

Craig Marney

Managing Director.
